Introduction

Genealogists love indexes. Our interest is in people and their stories. An index is immensely helpful in locating references to these people.

Index of Names in the Central Okanagan is a listing of all the names found in 15 books and is designed as a resource for genealogists and historians.

The Cemetery Recording Committee of the Kelowna and District Genealogical Society (KDGS) in Kelowna, British Columbia started transcribing names in local cemeteries in 2008 building on work from an earlier committee. The plan was to transcribe the headstones in cemeteries from Peachland in the south to Oyama in the north. This has now been completed. Two very large cemeteries, Kelowna Memorial Park Cemetery and Lakeview Memorial Gardens Cemetery, were not included in this undertaking.

This project soon grew to include photographing all the headstones as well as transcribing them. These photos were for many years hosted free of charge by Murray Pletsch on the *Canadian Gravemarkers Gallery* website. In 2017, the photographs are moving to a new website *Canada GenWeb's Cemetery Project*. The link to these photos can be found on the KDGS website.

The first series of nine books was completed in 2012 but not released until 2016. These are cemetery transcription books.

The second series of six books was completed and released in 2016. These books include information about five small cemeteries and isolated burials. What is different about these books is that, although based on burials, they were expanded to include information about the people buried, their genealogy, and local history. As many of the people in these smaller cemeteries were pioneers in the Central Okanagan, these books give background on who came very early to this area and provide a window into their lives and their interconnections with the people around them.

KDGS has supported this project by contributing part of the funds necessary to organize and print the material. It has done this as a public service to the community.

This book, ***Index of Names in the Central Okanagan***, contains an alphabetical listing of all the names in the 15 books previously published in Series 1 and Series 2. It also includes names in the documents in the appendices of ***Mission of the Immaculate Conception and Early Settlement in the Central Okanagan*** and ***Postill Family Cemetery with Postill Family History and Genealogy***.

Series 1 is traditional transcription books identifying each burial in a particular cemetery and including the inscription on the grave marker. KDGS members transcribed and photographed these cemeteries and then proofread the final drafts. The material gathered was organized and published by the five people on the Cemetery Recording Committee: Susan Campbell (Chair), Marlene Crane, Gwen Neil, Carolin Robertson, and Bob Hayes. The nine books in this series are:

1. *Gellatly Cemetery and Gellatly Heritage Park* [ISBN: 978-09916807-1-9]
2. *Immaculate Conception Church Cemetery* [ISBN: 978-09916807-2-6]
3. *Old Winfield Cemetery* [ISBN: 978-09916807-3-3]
4. *Oyama Community Cemetery* [ISBN: 978-09916807-4-0]
5. *Peachland Cemetery* [ISBN: 978-09916807-5-7]
6. *St. Andrew's Anglican Churchyard and Church Memorial Plaques* [ISBN: 978-0-9916807-0-2]
7. *St. Theresa Cemetery* [ISBN: 978-09916807-6-4]
8. *Westbank Cemetery* [ISBN: 978-09916807-7-1]
9. *Winfield Cemetery* [ISBN: 978-09916807-8-8]

Series 2 names the people buried in small cemeteries or in isolated graves and then expands to record some of their stories and the stories of their community. Bob Hayes and Susan Campbell did all the research and writing for these six books. Gwen Neil and Susan Campbell created the index for each book. Carolin Robertson was the photographer. The six books in this series are:

1. *Duck Lake Cemetery with Genealogies and Local History* [ISBN: 978-0-9951829-0-5]
2. *Glenrosa Cemetery with Genealogies and Local History* [ISBN: 978-0-9951829-1-2]
3. *Hardy Family Cemetery with Hardy Family History and Genealogy* [ISBN: 978-0-9951829-2-9]
4. *Isolated Burials in the Central Okanagan with Genealogies and Local History* [ISBN: 978-0-9951829-3-6]
5. *Mission of the Immaculate Conception and Early Settlement in the Central Okanagan* [ISBN: 978-0-9951829-4-3]
6. *Postill Family Cemetery with Postill Family History and Genealogy* [ISBN: 978-0-9951829-5-0]

This index and these 15 books were created to be useful to family historians and those interested in local history. We hope you enjoy them.

Bob Hayes discovered this photograph many years ago. Since the photo was taken by an Armstrong photographer and because of the elegance of the hearse, it is possible that the picture was taken at the funeral of prominent North Okanagan pioneer Alexander Leslie Fortune who died at Enderby, near Armstrong, on July 5, 1915 at age 85 years. He was buried in Lansdowne Cemetery near Armstrong, BC.
